

The Canadian Golf Superintendents Association presents

The Canadian Webinar Series

So They Tell Me My pH is Out of Whack, How Do I Get it Back Into Whack?

with

Nick Christians, Ph.D.

Wednesday, October 29, 2014

12:00 to 1:00pm EST

Once registered, approximately 3-5 business days before the webinar each participant will receive an email detailing instructions on accessing this educational webinar including specific details surrounding login.

WEBINAR DETAILS:

This session will go back to the basics of soil science and discuss the basics of soil pH and soil pH modification.

NICK CHRISTIANS, PH.D. is a University Professor of Horticulture at Iowa State University in Ames, Iowa. His area of specialization is Turfgrass Science. Nick received his Ph.D. and MS degrees from Ohio State University in Agronomy and his BS from the Colorado State University school of forestry. Between his BS and MS degrees, Nick was employed as an assistant golf course superintendent at Flatirons Country Club in Boulder, CO and as a golf course superintendent in Pueblo, CO.

Education Credits: Applications will be submitted for the various accrediting agencies. Please check back for updates! Note that participation is verified electronically and then an achievement of 70% on a quiz based on the materials presented is also required.
