### Brief Overview of Your Course

45-hole, private club on a 440 site along the Elbow River. 7482-yard Par 72 Forest course, 6641-yard Par 70 Meadows course and the 9-hole Bridges course are complemented by a large Practice Facility ~70 person team mid-Summer

### Best Advice & Quote that keeps you going?

Don't pass up on opportunities to learn and take some opportunities to see the property during the evening golden hour. Too often we see the course at it's most unflattering (an overcast morning where all the imperfections show), it's important to take the time to appreciate it as it's best as well.

### Time at Course & Past Positions

"Do what you can, with what you have, where you are."

18th season; started as a summer job after first year of university unsure of what I wanted to do. Trying a few different things at university and a couple years of travelling, I kept coming back to turf. Only made sense when I decided to pursue it as a career in 2012 and enrolled at Olds College in the Turfgrass Management program.

### Best Part of the Job

Each day always has something a little different, each season is always a little different. Never get tired of seeing a good sunrise.
