Best Advice & Quote that keeps you going?

In this industry, as in life, you get out what you put in. Don't overlook personal growth.

"The obstacle is the way." Life often presents challenges that can be daunting or frustrating. Instead of fighting the problem, recognize that every challenge has something valuable to teach us if we allow ourselves to see it.

Time at Course & Past Positions

I've spent the last 3 years at Breezy Bend and am approaching my seventh year in the industry.

Best Part of the Job

Mentorship. Many of our seasonal staff are young people who are either new to the workforce or have limited work experience. I believe we significantly influence how they perceive the workforce long after their time with us.
