

2026 CGSA Rain Bird Environmental Achievement Award

Nominee Submission Form – Stage 2

Deadline Date: November 30, 2026

Congratulations on being nominated for the CGSA Rain Bird Environmental Achievement Award.

Your nomination has been reviewed and advanced to the second stage of the selection process. To assist the judging panel, please complete this form and submit the requested supporting information by: **November 30, 2026**.

All information provided will remain confidential and will be used solely for the purpose of evaluating your submission.

Nominee Name: _____

Project, Process, Plan or Practice

Title of the Project, Process, Plan or Practice:

Project Summary (Maximum 500 words)

Provide a brief overview of the project, process, plan, or practice. Summarize the challenge or opportunity, the objectives, the nominee's role, the actions taken, and the overall results. This summary should provide reviewers with a concise introduction to the initiative.

Evaluation Criteria

Please address each of the following criteria. Responses should focus on providing clear examples and evidence where applicable.

Innovation (25%)

Describe what makes this project, process, plan, or practice innovative. Explain what was new, unique, or improved and how it advanced existing practices.

Impact (35%)

Describe the measurable results and benefits achieved. Include metrics, outcomes, testimonials, or other evidence where available.

Leadership (20%)

Explain the nominee's leadership role and how they influenced the success of the initiative.

Sustainability (20%)

Describe how the initiative can be sustained over time, replicated by others, and its long-term value to the organization or industry.

Community or Industry Impact (Optional)

If applicable, describe how the initiative has positively influenced the broader community, profession, or golf industry.

Supporting Documentation (Optional but Encouraged)

Upload photographs, reports, data, testimonials, media coverage, or other materials that support the nomination.

Sustainability

If applicable, explain how the project or practice can be maintained over the long term and whether it could be adapted or replicated by other golf facilities.

Supporting Documentation

Please attach any materials that will help the judging panel evaluate your submission.

Some Examples include:

- Photographs (before and after, if applicable)
 - Drawings or site plans
 - Data, charts or graphs
 - Reports or research
 - Budget summaries
 - Testimonials or letters of support (optional)
 - Videos (provide links if applicable)
 - Media coverage (if applicable)
-

Verification

I certify that the information provided in this submission is accurate to the best of my knowledge and that I have permission to submit any supporting materials included with this application.

Nominee Signature: _____

Date: _____
