

## CGSA Club Membership Category

The Club Membership has been so successful that we are offering this again in 2026.

The Club Membership is a minimum of three (3) Members from the same Club, anchored with **one** Superintendent member and includes either two Assistants or one Assistant and one Equipment Technician or any combination of those two categories. This is designed to provide savings for courses with three or more staff at a cost of only **\$1,271**. This is a minimum savings of **\$51**. Save even more by adding additional staff at **\$137** each. You will be providing your staff with access to all benefits of a CGSA member except voting rights.

Please complete the form to opt into the NEW Club Membership Now: [Club Membership Request | Canadian Golf Superintendents Association \(golfsupers.com\)](#)
