

Complimentary Golf Canada Membership for CGSA Members

August 10, 2026

As a CGSA Member, you're now eligible to receive a complimentary Golf Canada membership.

Beginning in August 2026, all CGSA members who do not already have a Golf Canada membership through their club are eligible to receive a **complimentary Golf Canada membership.**

This membership includes the ability to maintain an official **Handicap Index® under the World Handicap System™**, as well as access to Golf Canada's full suite of member benefits.

CGSA members are encouraged to post their respective acceptable scores and track their Handicap Index through the [Golf Canada mobile app](#).

CGSA members play a critical role in the Canadian golf landscape and Golf Canada recognizes the tireless work that goes into maintaining the beautiful golf properties across our country.

Ready to join? You must be a current CGSA member to register and have a **unique promo code**. If you did not receive your code, or you are not currently a CGSA member, please contact **Lori Micucci** at the CGSA

Please note: Unique promo codes are assigned to individual CGSA members and **cannot be shared with anyone else.**

Sincerely,

Lori Micucci
Manager, Member Services
