MISSISSAUGA, ON - The Canadian Golf Superintendents Association (CGSA) and Bayer Environmental Science Canada (Bayer) are pleased to announce Mr. J. Paul Robertson from Victoria Golf Course in Victoria, British Columbia as the CGSA/Bayer Superintendent of the Year for 2020.

The CGSA/Bayer Superintendent of the Year award recognizes a member of the CGSA who has held the position of golf course superintendent for a minimum of five years and who has distinguished her or himself through dedication to the profession, performance as a golf course superintendent and contributions to their profession and their community.

"Paul is one of the most respected golf course superintendents in British Columbia. His contribution to the industry is exemplary. Paul led the change on the CGSA/BCGSA dual billing initiative and has been a huge supporter of the CGSA. He will go out of his way to help colleagues without being asked, is genuine, caring, giving and thoughtful. Paul remains dedicated to continuous self-improvement through continuing education and then his willingness to share information amongst peers, either in person or via technology which makes him highly regarded amongst his colleagues. He works extremely hard to better the superintendent image and to give back in any way he can. It was my distinct pleasure to personally notify Paul about this award and to hear his excitement. Congratulations on this well-deserved award, Paul." **Darren Kalyniuk, CGSA President.**

“In addition to leading a world class golf club for over 20 years, Mr. Paul Robertson has opened doors to his club, his contacts and his staff in any way he can to promote and support the Canadian golf course management profession. His drive to better himself both personally and professionally rubs off on everyone he surrounds himself with. We have been fortunate to see this drive first-hand and are aware that it’s impossible not to get dragged upwards in Paul’s pursuit to achieve more.

He has been able to elevate him and his team while knowing when it’s appropriate to sit back and listen to opinions of others. The positive attention he has brought to Victoria Golf Club, Vancouver Island, British Columbia, and Canada amongst world renowned professionals in our industry has elevated all of us.” **Jamie Robb, AGS, Immediate Past President, BC Golf Superintendents Association and Superintendent, Marine Drive GC**
