

**Safety Kits**

## Universal / All Provinces First Aid Kits

Meet Canada Occupational Health and Safety Regulations requirements for first aid kits with our comprehensive Federal Type A First Aid Kit. The Type A first aid kit is required for workplaces with between 2 to 5 employees on staff at any given time. First aid kit requirements can vary depending on the workplace environment. For the most up to date information please visit the Canada Occupational Health and Safety Regulations (SOR/86-304) website.

EFA FED0AP

### Content List:

Benzalkonium Chloride Antiseptic Wipes  
 Plastic Adhesive Bandages - 1.9 x 7.6cm (3/4" x 3")  
 Triangular Bandage - 102 x 102 x 142cm (40" x 40" x 56")  
 Mylar Emergency Rescue Blanket  
 Compress Bandage with Elastic Tails - 10 cm x 16.5 cm (4" x 6.5")  
 Sterile Gauze Pads - 10.2 x 10.2 cm (4" x 4")  
 1 Gauze Sponges - 10.2 x 10.2 cm (4" x 4")  
 Splinter Forceps 11.5 cm (4.5")  
 Vinyl Examination Gloves (pair)  
 CPR Mask with One Way Valve  
 Accident Record Book  
 Paramedic Scissor  
 Conform Gauze Bandage Roll - 7.6 cm (3")

## Nova Scotia Regulation First Aid Kits

Lone workers on a job site are particularly vulnerable in the event of an accident or injury. It is critically important to ensure the lone worker is equipped with the necessary required first aid kit as required by N.S. OHS regulations. The N.S. # 1 kit meets the minimum requirements for a work site with a full time employee where no one can give first aid or call assistance in a reasonable time. This light and portable first aid kit is 100% compliant with Nova Scotia First Aid Regulations.

## Quebec Regulation First Aid Kits

This premium First Aid Kit meets or exceeds minimum CNESST (formerly CSST) First Aid requirements for workplaces with 1 to 50 employees. Larger or hazardous workplaces require “adequate” First Aid Kits, usually as determined by their Workplace Health and Safety Committee. Other requirements apply, such as having trained First Aiders on site.
