# IS YOUR BATTERY TOUGH ENOUGH

Choose a battery specially  
manufactured for fleets

NAPA's Group 31 Commercial Batteries are especially designed to handle heavy-duty use. Our batteries have the strongest internal current connections and power producing components. In fact, our part number 31-110S has 1060 CCA's of heavy-duty starting power. These strong components are even anchor bonded to resist vibration and rough damaged road.

A premium maintenance-free design resides in a high impact polypropylene case and cover making a tough battery.

**Our experts are here  
to help you manage and  
maintain your fleet**

#### Assess your fleet

Our experts evaluate your inventory on-site and will provide you a full report with an efficiency analysis and recommendations.

#### Be up-to-date

Our specialists are dedicated to you. We provide clinics, training sessions and demonstration on the latest innovations of the industry.

**YOUR PARTNER IN LEADERSHIP**

# Keep trucks going with tough commercial power

## HD COMMERCIAL

- Heavy cranking power to turn over the largest engines
- HD optimized power plates maximize durability and performance
- Anchor locked elements provide extra protection against vibration
- Extra durable envelope separators prevent internal shorting
- Premium maintenance-free design extends service life

## HD² COMMERCIAL

- High cycling service from high density plates providing maximum power
- Fiberglass-lined envelope separators help lock active material to plate extending life
- HD optimized power plates maximize durability and performance
- Anchor locked elements provide extra protection against vibration
- Extra durable envelope separators prevent internal shorting
- Premium maintenance-free design extends service life

## COMMERCIAL

- Fits a variety of industrial and farm applications
- Especially designed to provide maximum durability in heavy-duty applications
- HD optimized power plates maximize starting power and performance
- Extra durable envelope separators prevent internal shorting

## HD COMMERCIAL AGM

- Deep cycle premium AGM power with super durable internal construction
- Lower internal resistance provides highly efficient starting power
- Over 2x the cycle life than conventional batteries better handles key-on or key-off electronic loads
- More protection against vibration resists damage to extend battery life
- Heavy-Duty optimized power plates and electrolyte suspension system delivers maximum AGM performance

## NAPA COMMERCIAL AGM BATTERIES

# DOES YOUR COOLANT HOLD UP?

For the toughest jobs? For the hardest conditions? For the longest hauls?

## SPECIALIZED FORMATIONS FOR HEAVY DUTY ENGINES

TRUCKING | AGRICULTURE | CONSTRUCTION | MARINE | MINING | EQUIPMENT

### ENGINE PROTECTION

A clean engine is a cool engine. HD Expert coolants specialized formulas stop corrosion in its tracks for all cooling-system metals.

### TEMPERATURE CONTROL

Calibrated to handle the most extreme climate conditions, HD Expert formulas enable efficient heat transfer to regulate critical system temperatures.

### LONG SERVICE LIFE

HD Expert coolants combine unique corrosion inhibitors and superior functional additives, providing optimum performance and maximum stability.

ON-SITE  
REFILL PROGRAM

[See details >](#)

**YOUR PARTNER IN LEADERSHIP**

# TIRED OF HANDLING BULKS? WE REFILL ON-SITE

## ON-SITE REFILL PROGRAM

### PROGRAM FEATURES

- High quality products (washer fluid or antifreeze)
- Equipment station provided (bulk storage fluid tank, dispensing hose and nozzle)
- Auto-fill delivery service on-site
- Fast, professional and reliable delivery

### ADDED VALUE

- Provides constant fluid availability onsite
- Minimizes labour and handling costs
- Eliminates tugs and packaging waste
- Saves valuable floor space
- Streamline your procurement: no long-term contract or setup fees, you will be billed directly through your parts statement

Our bulk refill program delivers quality products and premium service, making it more convenient than ever to keep your fluid supply stocked and ready. We come to you and refill dedicated tanks that remain on-site with you. Filling and servicing your vehicles is easy, using the dispensing systems that we can supply. Jugs and packaging waste are eliminated, providing an environmental advantage that also improves convenience.

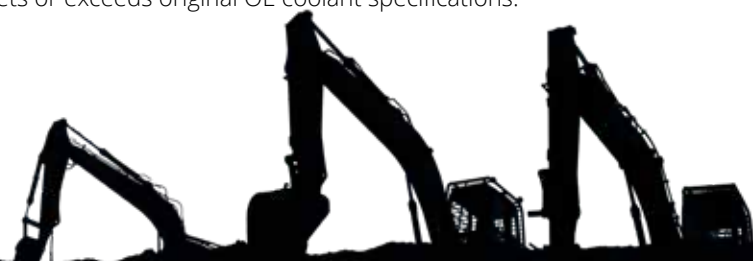

### BULK WINDSHIELD WASHER

- Unique all-season windshield washer fluid
- Made with the highest quality surfactants for superior dirt and road film removal and carefully formulated for maximum performance in all vehicle dispensing system
- Contains corrosion inhibitors which extend pump and component life while acting as degreasing agents, helping to cut oily film and remove grime
- Rated at -40°C throughout the year for outstanding durability

### BULK ANTIFREEZE

- UltraClear supplies Recochem HD Expert antifreeze to our bulk fleet customers in the same manner as our windshield washer fluid
- All coolants are available in premixed 50/50 formulations
- Meets or exceeds original OE coolant specifications.
