

The Solink logo features the word "SOLINK" in a bold, dark teal font. The letter "O" is replaced by a stylized circular icon with a white center and a teal ring, resembling a camera lens or a data point. A registered trademark symbol (®) is positioned to the upper right of the "K".

SOLINK®

Savings up to 40% off

Solink's video analytics and surveillance for golf courses makes it easy to create a safe and secure environment on the fairways, in the clubhouse, during events, and more. Solink also reduces operating and maintenance costs at your facility. They can directly provide and install cameras, or work with a trusted local contractor in your area for installation.

To learn more about how Solink provides business and operational insights to grow your revenue, improve golfer experience, and save time and money in the process, contact Shawna Rioux, Director of Sales at Solink.
