10% rebate on initial set-up & annual subscription.

TurfProphit is a software manufacturer, focused on the business of golf course management.

TurfProphit's course maintenance tracking software enables the seamless collection of maintenance inputs and operations data on the golf course and allows superintendents, owners or course operators to organize each of those inputs within a database for easy storage, analysis and on demand sorting and reporting.

NGCOA Canada members qualify for a **10% rebate on the initial set-up fee and the annual subscription fee.**
