

CGSA recently announced that ALL CGSA members will now have complimentary access to ALL content in the Live Learning Centre (LLC).

As a member of the CGSA, you should have received a direct email message from **CGSA Media** with your **Username and Password** and step by step directions on how to access all the sessions.

This benefit will allow members to access on demand education on a variety of topics that are important for the continuing professional development of our members.

The LLC web portal contains live recordings of sessions that were originally held in-person, including sessions from the 2025 The Canadian Golf Course Management Conference, approved for [CECs](#) from across Canada. These are now available for viewing through the centre with the same content as what was presented during the live event and carry the same CEC value as previously approved.

The more you watch, the more you save. The 2025 Conference package alone is a value of \$299 plus tax.

For more information, please click [here](#).

Take advantage of this benefit today and don't miss your chance to enjoy these valuable resources! Know a colleague who is not a member, please pass this information onto them and they can join [here](#).

If you have any questions regarding this benefit, please contact [Lori Micucci](#) at the CGSA office.
