CANADIAN GOLF SUPERINTENDENTS ASSOCIATION  ASSOCIATION CANADIENNE DES SURINTENDANTS DE GOLF

CGSA Proudly Announces Club Membership Option

The Canadian Golf Superintendents Association (CGSA) announces today that a new Club Membership option will be introduced for this coming membership year. The Club Membership is designed to provide savings for those who have multiple members at one facility.

This membership option allows for 3 people to be included for one price and additional members at a lower more economical rate. The Club Membership will be anchored with a Superintendent member and then include either two Assistants or one Assistant and one Equipment Technician or any combination of those. The even better part of this new option is the ability to sign additional members up for a fraction of the cost.

Membership in your National Association is an important part of individuals' professional development and can also serve as a tool to increase retention and further their involvement in the industry. All keys to create and retain a successful team for Superintendents.

The new Club Membership option will be offered at **\$1,175** and includes a Superintendent, Assistant and Equipment Technician memberships OR any combination of those categories. Additional members are available for only **\$125**; except for students who will continue to benefit from complimentary membership while in school.

If you're interested in taking advantage of this new Club Membership option, please complete the form found at the link below as soon as possible so that we can update your record and proceed with your 2024-2025 Membership Renewal Notice.

Please complete the form to opt into the NEW Club Membership Now:

https://golfsupers.com/Club_Membership_Request.html.

If you wish to delay your decision or seek approval you will have the option to opt in at a later date.

As always, we're pleased to hear your feedback on this initiative and address any questions or concerns you may have. We truly believe that this program will give additional value to our members and their clubs.
