The Workman® GTX is a grounds and turf crossover vehicle that boasts an unequalled combination of comfort, utility and control. Its increased power, improved steering and exclusive suspension and braking systems make the Workman GTX the most versatile, practical and comfortable utility vehicle in its class.

The Workman® GTX in this year's CGSA silent auction is configured with the Superintendent in mind. So whether you are running to different jobs around the property, moving people or materials, or transporting tools to crews that need them, the Workman GTX has the power and versatility to get the job done right.
