# CGSA PROFESSIONAL DESIGNATION PROGRAM

## Course Credit Values

The CGSA Accreditation Committee has determined that the term “Continued Education Credits (CEC)” will be used as the unit of measure for course credit value. The following chart outlines the point values to be assigned to various eligible activities. Any educational program that is offered by an organization other than a national superintendent organization must be reviewed and approved prior to the start of the program in order to be eligible for CEC. The Committee has also established that the renewal period for both the AGS® and the MS will be five years and that the CEC requirements for renewal would be 90 and 125, respectively.

The following methods, credit values and limits were approved for use by members:

<b>Item</b>	<b>Description</b>	<b>CEC Value</b>
<b>NOS Courses</b>	<ul style="list-style-type: none"> <li>▪ post-secondary, college or university; related to a skill/behaviour outlined in the National Occupational Standards;</li> <li>▪ Could be with a grade assigned by the institution or without a grade; would require a “certificate of completion” issued by the institution, if no grade assigned;</li> <li>▪ Could be offered by either a college or university or another recognized institution</li> </ul>	1 hour of instruction equals 1 CEC
<b>Courses</b>	<ul style="list-style-type: none"> <li>▪ post-secondary, college or university; related to a skill/behaviour outlined in the National Occupational Standards;</li> <li>▪ Could be with a grade assigned by the institution or without a grade; would require a “certificate of completion” issued by the institution, if no grade assigned;</li> <li>▪ Could be offered by either a college or university or another recognized institution</li> </ul>	Courses in this category that were not NOS related would be eligible for credits to a maximum of 10 CEC per year and 30 CEC per renewal period.
